*Greece*

(pencil on tracing paper, each 21 x 14 cm, scanned)

digital print, each 40 x 60 cm, 2006/2013

In the year 2006 I asked several people to draw a sketch of Greece out of remembrance on tracing paper. I thought of Greece because of the cultural, political and philosophical heritage come out of Greece. In 2013, during the crisis, I put always two of these drawings together and scanned it.
